Dear Mr Warren:

I have received word from Mr Pete Wilder that you have agreed to accept our offer to play with The Eagles.

I am writing you this letter to confirm the offer. We agree to start you with \$250.00 a month salary starting May 1st.

We will leave Newark March 29th, and will open camp in Jacksonville Florida April 1st. This means we will get to Raleigh the night of March 30th, and will plan to pick you up at The Arcade Hotel. You will hear from us again before then with the exact time.

I will be expecting a letter from you as soon as possible telling me you will be with us, so I can make proper arrangements for training camp.

Very Truly Yours
